## PRIVACY NOTICE

**Last Updated: January 12, 2026**

This Privacy Notice ("Privacy Notice") applies to users ("you" or "your") who access our website at or any other website (collectively, "Sites") operated by Calgon Carbon Corporation and its subsidiaries, and displaying this Privacy Notice and, where applicable, who interact with us in other ways whether in-person, online, by email, or on the phone.

Calgon Carbon Corporation, with its affiliated companies ("Company," "we" "us" or "our") is a recognized leader in the activated carbon and reactivation industry for many liquid and vapor phase applications. Company provides business-to-business products and services to organizations and commercial customers. The majority of our products and services are not directly offered to residential customers; however, some of our products are offered to residential customers on third-party e-commerce stores. When you purchase one of our items from the third-party e-commerce website, Company is not involved in the sale of those items and Company does not collect any related personal data, as the term is defined below. Refer to the privacy notice on the e-commerce website to learn how the third-party e-commerce company uses or discloses your personal data.

This Privacy Notice applies to Calgon Carbon Corporation and any of its Affiliates that posts a physical or electronic copy of this Privacy Notice, including: Calgon Carbon Corporation, Chemviron Carbon GmbH (DE), Chemviron Carbon APS (DK), Chemviron France S.A.S. (FR), Chemviron Italia Srl (IT), Chemviron Carbon AB (SE), Chemviron Carbon Ltd. (UK), Chemviron Carbon, the French branch of Calgon Carbon Corporation (FR).

This Privacy Notice describes types of personal data we collect, how that data is used, to whom it is disclosed, and how it is protected. By accessing our Site, using our services, or interacting with us, you agree to the collection, use and processing of your information as described in this Privacy Notice.

**PLEASE READ THIS PRIVACY NOTICE CAREFULLY TO UNDERSTAND HOW WE HANDLE YOUR PERSONAL DATA AND YOUR RELATED CHOICES AND RIGHTS.**

We may update this Privacy Notice from time to time and we ask you to reread it regularly. Changes to this Privacy Notice will be posted on our Sites and will be effective when posted on our Sites. Your continued use of our Services following the posting of any change will signal your acceptance of Privacy Notice as revised.

## 1. SCOPE OF THIS PRIVACY NOTICE

When Company collects and processes personal data, we are acting as a Data Controller, because we are the entity making the decisions about the purposes and means of the processing of your personal data. Data is collected in accordance with applicable laws including (i) the General Data Protection Regulation (Regulation 2016/679) (“**GDPR**”); and (ii) all other existing or new applicable laws relating to or impacting on the processing of information of a living person and privacy).

The term “**personal data**” as used in this Privacy Notice refers to information that identifies, relates to, describes, or is reasonably capable of being associated or linked, directly or indirectly, to an identifiable individual. Personal data also includes any information that can be used on its own or combined with other information to identify, contact, or profile a specific individual. Not only does this Privacy Notice cover personal data collected in a business-to-business setting, it also applies in the employment context where required by applicable law.

This Privacy Notice does not apply to the following types of information:

Except where legally required by applicable law, this Privacy Notice does not apply to information we obtain about corporate customers, employees, agents, or service providers, suppliers, or other business associates.

Anonymized information. Information that has been modified in a substantial way so that it no longer can reasonably be used to identify or be linked to an identifiable individual.

Information collected by independent third parties. Our Sites may include features and services provided by third parties and may contain links to websites or social media that are not operated or controlled by Company. We are not responsible for the privacy practices or content provided by these third parties. We encourage you to review the privacy statements of these third parties. (See “Use of Third-Party Services” and “Links to Third-Party Sites.”)

## 2. WHAT AND HOW WE COLLECT PERSONAL INFORMATION

We may collect personal information from you, as (existing or potential): customer, consultant, supplier, vendor, agent, distributor, as an employee or as a representative of Company, as commercial partners (and affiliates), governmental bodies, authorities, certification bodies, and other stakeholders:

- Directly from you when you provide information to us or a Company Affiliate;
- From your communications with us by phone call, text message, e-mail, postal mail
- From your transactions with us or an Affiliate;

- From services, vendors, and other third-party companies with which we collaborate (“**Business Partners**”);
- From your visits to and interactions with our Sites collected via cookies and similar technologies placed by digital advertising networks, data analytics services, and social media (“**Advertising Platforms**”);
- From Advertising Platforms that collect and share information about the marketing and advertisements you have seen or clicked on;
- From other third-party sources that provide consumer data, including internet browsing data, such as information about your interests, demographic information, and marketing inferences.

## **Categories of Information We Collect**

The categories of personal information we collected and used for our business and commercial purposes during the past 12 months included the following:

- **Identifiers** (such as name, postal address, email address, social security number, driver’s license number, passport number, internet protocol address, device identifier, online account name and other online identifiers).
- **Consumer information** (such as signature, telephone number, credit card, debit card, bank account and other financial information).
- **Internet activity**, including browsing history, search history, and a user’s interaction with a website, application, or advertisement (“**Internet Usage Data**”).
- **Purchase and Transaction information** might be collected by Company to process your order. We retain limited card information to record and track your purchases. However, this section does not apply to ChemvironS.A. and its affiliates. Chemviron and its affiliates do NOT collect or process transaction information and do not retain any card information.
- **Audio/visual data** collected on Company-owned properties for security purposes. Also, we record customer service calls and voicemails for quality assurance and training.
- **Professional and employment-related information.** Customer profile records including assessment forms, CV’s, references, background checks (e.g.: confirmation of qualifications) and interview notes. This information is combined with various sources about, for example, your transactions, communications such as the content of emails, text messages, interactions with automated customer service features (such as a chatbot), and history of experiences with us.

- **Your comments.** If you post or allow us to post a comment on our Sites, blog, or "leave a comment" online or on third-party or social media sites, we collect or receive your comment, name and email address.
- **Other information you may choose to provide.** In the course of doing business with Company, you may provide information about your employment, education, family, age, gender, interests and preferences for home location and features, and other personal matters.

## **Sensitive Information**

Some of the personal information we collect is classified as sensitive information under the privacy laws of some states ("**Sensitive Information**"). For example, we may collect transaction information to process your request or store your Social Security Number when applying for a job. When we request Sensitive Information, we will use it only for the purpose disclosed to you at or before the time the Sensitive Information was collected, a purpose we reasonably believe is compatible with and expected by you based on the original disclosed purpose, or as required or authorized by law. Unless we request Sensitive Information for a specific purpose, we ask that you not send or disclose any Sensitive Information to Company.

## **Automated Online Data Collection**

When you visit our Sites, we and our third-party providers, including Advertising Platforms, automatically collect data about your interaction with our Sites transmitted by cookies and similar tracking technologies placed on your device or web browser. Examples of the types of data collected this way may include the following:

- Time and duration of your visits to the Sites;
- Pages viewed and functions used on the Sites;
- IP address or mobile device identifier;
- Randomly generated unique ID number;
- Device type, browser type, and operating system;
- Browsing and search history;
- Internet location from which you navigated to our Sites and the location you went to when leaving our Sites;
- Interactions with our advertisements and content placed on other Sites and social media platforms (subject to your restrictions on targeted advertising).
- Approximate geographic location (as determined, for example, using satellite, cell phone tower and Wi-Fi signals).

For more information about how we use these technologies and how you can restrict their use, see the sections below titled “How We Use Cookies and Other Tracking Technologies,” and “How You Can Restrict Cookies and Targeted Advertising.”

### **3. HOW IS MY PERSONAL DATA USED?**

We use personal information for the following general business, marketing, and analytics purposes:

- Register new customer accounts;
- Confirm contracts and provide client services;
- Arrange for shipping and delivering products;
- Respond to requests for information and provide customer support;
- Provide marketing and promotional information about our products and services, unless you opt out (for residents of Canada or where otherwise required by law, we will obtain your consent for marketing activities; for U.S. residents, see the section below titled “How To Opt Out of E-mail and Telemarketing”);
- Advertise our services, including targeted online and social media unless you opt out (for information about opting out of the sale or sharing of personal information, see the section below titled “How We Use and How You Can Restrict Cookies and Internet Tracking Technologies.”);
- Communicate our appreciation to our customers for their business and request their comments about our products through surveys and other tools;
- Collect and analyze Site usage information to develop demographic information, improve the performance and functionality of our Site, and for marketing purposes;
- Detect, prevent, and address technical issues and prevent potential fraud or misuse of our Site;
- Respond to law enforcement requests and as required by applicable law, court order, or governmental regulations; and
- In other ways we notify you about at the time we collect your Personal Information.

### **4. HOW IS MY PERSONAL DATA USED?**

We use personal information for the following general business, marketing, and analytics purposes:

- Confirm contracts and provide services;
- Arrange for shipping and delivering products;
- Respond to requests for information and provide customer support, including communicating with our Technical Team;
- Provide marketing and promotional information about our products and services, unless you opt out (for residents of Canada or where otherwise required by law, we will obtain your consent for marketing activities; for U.S. residents, see the section below titled “How We Use and How You Can Restrict Cookies and Internet Tracking Technologies”);
- Advertise our services, including targeted online and social media unless you opt out (for information about opting out of the sale or sharing of personal information, see the section below titled “How We Use and How You Can Restrict Cookies and Internet Tracking Technologies”);
- Communicate our appreciation to our customers for their business and request their comments about our products through surveys and other tools;
- Collect and analyze Site usage information to develop demographic information, improve the performance and functionality of our Site, and for marketing purposes;
- Detect, prevent, and address technical issues and prevent potential fraud or misuse of our Site;
- Take employment-related steps on behalf of job applicant;
- Respond to certification bodies to certify Company’s products, services or processes and perform any legal obligations in relation to certification bodies;
- Respond to law enforcement requests and as required by applicable law, court order, or governmental regulations; and
- In other ways we notify you about at the time we collect your Personal Information.

## 5. WILL MY INFORMATION BE SHARED?

Your personal information may be accessible or shared for business purposes with the categories of third parties described below. We do not sell your personal information to third parties for monetary or other valuable consideration.

**Affiliates.** We may share your personal data within our group of companies, which means our subsidiaries and our ultimate holding company and its subsidiaries.

**Service Providers.** We engage third-party service providers to assist with various administrative and technology support services including hosting our Sites, cloud data management and storage, contact management, e-mail marketing, payment processing, and other business operations. Service providers may have access to your personal information to perform these tasks on our behalf and are not disclose or use personal information for any other purpose.

**Business Partners.** We may share some of your information with our business partners in order to execute a project. In addition, we may share your personal data with contractors, website hosting companies, and recruitment companies unless you opt out from our marketing communications or, where required by law, when you have not given consent.

**Data Analytics Services.** When you use our Site, we and third-party data analytics services we authorize collect your internet usage data. We also use Google Analytics to help us understand how our customers use the Sites. You can read more about how Google uses your personal information here:

<https://www.google.com/intl/en/policies/privacy>. These data analytics providers may also use the aggregated data they collect on our Site for their own purposes. For information about restricting collection of certain Usage Information, see the section below titled “How We Use and How You Can Restrict Cookies and Internet Tracking Technologies.”

**Advertisers and Social Media.** Cookies used on our Site allow us and advertising networks, social media companies, and other providers to collect and share information, and place or display ads that are personalized to you on our Site, as well as on other websites, apps, services, and devices you may use. For information about restricting certain of these activities, see the section below titled “How We Use and How You Can Restrict Internet Tracking Technologies.”

**Legal Process and Security.** We may disclose personal information to third parties to detect and prevent fraud, enforce our Site’s Terms of Use and other agreements, comply with legal requirements, respond to and resolve claims or complaints, and for other risk management purposes, and to respond to law enforcement or legal process or a request for cooperation by a government entity.

**Business Transactions.** We may share personal information as we believe is reasonably necessary in connection with business transactions such as a transfer or sale to another entity of all or a portion of our stock or assets or a business reorganization.

## 6. INTERNATIONAL TRANSFERS

### Intra-group:

Personal data will be transferred between the Company and its Affiliates, resulting in data transfers between the United States, European Economic Area, Latin-America and Asia.

For such transfers, the Company relies on both: (i) the decisions of the European Commission finding certain countries' legal and judicial systems to offer adequate protection of personal data ('adequacy decisions'), and (ii) the standard contractual clauses issued by the Commission implementing decision (EU) 2021/914 of 4 June 2021 on standard contractual clauses for the transfer of personal data to third countries pursuant to Regulation (EU) 2016/679 of the European Parliament and of the Council ('standard contractual clauses').

#### **Outside the group:**

When we transfer personal data to third parties outside the Company (be it data processors or separate data controllers) located in countries outside the European Economic Area, we will ensure that either (i) such countries provide an adequate level of protection under the applicable laws or that (ii) appropriate safeguards are in place such as the standard contractual clauses. Details on the applicable safeguards can be obtained at [dataprotection.ccc@kuraray.com](mailto:dataprotection.ccc@kuraray.com).

### **7. HOW IS MY DATA PROTECTED?**

We take commercially reasonably precautions designed to protect the confidentiality and security of your personal data and prevent alteration, corruption or access by unauthorized parties.

We take reasonable steps to protect your personal data that you transmit to us and to protect such information from loss, misuse, and unauthorized access, disclosure, alteration, or destruction. However, no Internet transmission or data storage is ever fully secure, and Company cannot guarantee that information transmitted via our websites or stored by us will remain confidential at all times. We maintain physical, electronic, and procedural safeguards that are designed to ensure that personal information is stored and treated responsibly.

Please bear in mind that, to the extent you are provided with access credentials to access portions of our websites, anyone you provide with your access credentials will also have access to your account and, possibly, to your personal data. If you use our Site, you are responsible for maintaining the confidentiality of your access credentials and for restricting access to your computer.

### **8. HOW LONG WILL MY DATA BE STORED?**

We will retain your personal data for a reasonable period of time. If such duration cannot be determined, the following criteria will apply to determining the appropriate retention period:

- The purpose for which the data was collected;
- The likelihood of further contact or enquiries from you with which the data may assist, e.g. personal data collected in a marketing context;

- The length of any legal obligation that may attach to that data or the period within which claims might be brought relating to that data or products or services that we have provided; and
- The requirements of our regulators.

### **Data Collected for Marketing Purposes.**

Whenever we collect your personal data in a marketing context (e.g. exchange of business cards, leads, referrals or recommendations via existing customers, introduction at a fair, etc.) we may preserve your personal data for a limited period of twelve (12) months in order to explore the opportunities of a potential collaboration, to send you follow-up messages in a reasonable manner and to find out about your needs or requirements. Any personal data of such prospects that have not become customers or confirmed their consent to being further contacted by email after this time, will be deleted from our files.

### **9. DO YOU LINK TO OTHER SITES?**

For your convenience, the Site may include links to and from other websites. If you follow a link to any of these websites, please note that these websites have their own privacy and security policies which you should review. We do not accept any liability or responsibility for these other websites or their policies.

### **10. USER CONTENT**

The Site may provide feature where users can post or upload materials, comments, reactions and other content or information (collectively, "**User Content**"). If you post User Content on our Site, the User Content, as well as other information, may be available to all Site users. Please note that we cannot prevent such information from being used in a manner that may violate this Privacy Notice.

### **11. HOW WE USE AND HOW YOU CAN RESTRICT COOKIES AND INTERNET TRACKING TECHNOLOGIES**

**How we use Cookies.** Our Site uses cookies and other tracking technologies, such as pixels, beacons and tags (collectively, "**cookies**"), to collect data, some of which may be identifiable to you, directly or indirectly. These technologies enable us, our service providers, and other third parties to collect and combine information about your online activities over time and across different websites and apps. For example, they allow us to determine how many people are visiting our Site and compile other usage statistics, whether visitors are new or repeat visitors, which pages visitors are viewing and for how long, how people are interacting with our Site, how effective our online advertising campaigns are. If we use cookies in our e-mail communications, they can tell us when and whether an e-mail was opened, whether it was forwarded, and what links users click within the e-mail. They support the way we serve our ads, measure the effectiveness of our ads, and to determine the content and advertising to offer you based on your interests. Based on tracking information, we, our service providers, and

other third parties can adjust the content, products, services, advertisements, and promotions we provide to better meet your interests, and make you aware of Company products, services, and offers in which you may be interested.

On our website we use the following cookies:

(a) Necessary cookies

These are cookies necessary for the proper functioning of the website, by enabling basic functions such as page navigation and access to secure areas of the website. Without these cookies, the website cannot function properly. These cookies are not shared with third parties.

(b) Preferred cookies

Preference cookies allow a website to remember information that affects the behavior and design of the website, such as your preferred language or region of residence.

(c) Statistical cookies

Statistical cookies help website owners understand how visitors use their website by anonymously collecting and reporting data.

(d) Marketing Cookies

Marketing cookies are used to track visitors as they visit different websites. Their purpose is to display ads that are tailored and relevant to the individual user. These ads thus become more valuable to publishers and third-party advertisers.

**How You Can Restrict Cookies.** You can restrict how cookies are used to track and log your Site usage information by managing the preference settings on your browser or device. You can learn about how Google collects and processes data at <https://policies.google.com/technologies/partner-sites> and the controls Google offers to manage the collection and use of your information at <https://policies.google.com/privacy>.

Your browser may offer you a “Do Not Track” option, which allows you to signal your preferences to certain website operators that you do not want them to track certain of your online activities. However, our websites do not support Do Not Track requests at this time.

Please note that even if you choose to remove your information or opt-out, you will still see advertisements while browsing online. However, the advertisements may be less. For further details regarding cookies, please visit our Cookie Policy.

## **12. HOW TO OPT OUT OF E-MAIL AND TELEMARKETING**

You have certain rights regarding your personal information. To request access to the personal information we maintain about you or to ask us to stop processing your personal information, including for direct marketing and promotional purposes, please contact us at [dataprotection.ccc@kuraray.com](mailto:dataprotection.ccc@kuraray.com) or click on the “unsubscribe” button at the bottom of your email.

## **13. GOOGLE ANALYTICS**

We employ Google Analytics Demographics and Interest Reporting, which provides us with personal data such as age, gender, and interests; however, as stated above, we do not share cookie data with any third parties, nor do we combine the directly identifiable information you voluntarily submit to us with the Site usage and demographic data we collect through Google Analytics Demographics and Interest Reporting.

The Advertising Features collect specific visitor cookie data, such as the source, medium, and keyword used to visit the Site, and other information, such as how often users visit the Site, what pages they visit when they do so, and what other websites they used prior to coming to the Site. Google Analytics collects only the IP address assigned to you on the date you visit the Website, subject to your prior express approval where required by law. Although Google Analytics creates a cookie to identify you as a unique user the next time you visit the Site, the cookie cannot be used by anyone but Google. Google's ability to use and share information collected by Google Analytics about your visits to the Site is restricted by the Google Analytics Terms of Use and the Google Privacy Policy which you can access here: <https://developers.google.com/analytics/devguides/collection/analyticsjs/cookie-usage>.

Once you have given your consent to some Google Analytics cookies, you can prevent Google Analytics from recognizing you on return visits to this site by disabling cookies on your browser.

## **14. ADVERTISING NETWORKS**

We may work with third party ad networks and social media platforms to display content specific advertisements to visitors that have previously visited our Site when those visitors go to other websites that have implemented the same network or platform.

You may choose how third parties display certain ads to you, as explained further in their respective privacy policies and ad preferences pages. You can also get more information about targeted advertising, and how to opt-out of receiving targeted ads from many third-party ad networks (including Google), through the following:

[www.aboutads.info/choices](http://www.aboutads.info/choices) (Digital Advertising Alliance)

You may choose to opt-out of participating ad networks. However, this does not opt you out of being served advertising in general. You may still receive generic or “contextual”

ads on our site. You may also continue to receive targeted ads on other websites, from companies that do not participate in the above-mentioned programs. Please also note that opt-out mechanisms are cookie based; so, if you delete cookies, block cookies or use another device, your opt-out will no longer be effective. For more information, go to <http://www.aboutads.info/>.

## **15. YOUR RIGHTS**

When you provide your personal data to us, or we obtain it through your use of our Site, services, or other means, your information will be transferred to the United States and processed in accordance with the laws of the United States and the guidelines of this Privacy Notice. Depending on your place of residence or citizenship, you may have specific rights with respect to your personal data that we will follow to the extent applicable to our operations.

United States. If you reside in the United States you have certain rights about e-mail and telemarking marketing messages as explained in the section titled, "How to Opt Out of E-mail and Telemarketing." You also have the right to revoke your consent to any collection or sharing of personal information for which we requested, and you provided, your affirmative consent. Depending on the state where you live and our business activities in your state, you may have other legal rights regarding your personal information.

Canada. If you reside in Canada, you have the right to request access to your data, have your personal information updated or amended to correct inaccuracies or incomplete information, and (where technically feasible) to request a portable copy of your personal data, as defined under and subject to applicable law. You may also have the right to request deletion of your personal data or request that we no longer use it. You are responsible for the accuracy of the information you provide when using our Site and services. To access, review or update your information for accuracy, please contact us using the information below. Your right to access or correct your personal data is subject to applicable legal restrictions. We may take reasonable steps to verify your identity before granting access or making corrections.

Europe and United Kingdom. If you are resident in Europe or the UK, we will process your information in order to fulfill your orders and to otherwise pursue our legitimate business interests as described in this Privacy Notice, subject to your legal rights. If your personal data is protected under the General Data Protection Regulation, you may be entitled to the following:

*The right to access* – You have the right to request copies of your personal data. We may charge you a small fee for this service.

*The right to rectification* – You have the right to request that we correct any information you believe is inaccurate.

*The right to erasure* – You may have the right to request that we delete your personal data, subject to legally permitted reasons for which we may decline your request in part or in whole.

*The right to restrict processing* – You may have the right to request that we restrict the processing of your personal data, under certain conditions.

*The right to object to processing* – You may have the right to object to Company's processing of your personal data, under certain conditions.

*The right to data portability* – You may have the right to request that we transfer the data that we have collected to another organization, or directly to you, under certain conditions.

If you make a request, we will respond within the timeframe specified by applicable law or within approximately one month from when we receive your request. You can make a request explained in the section titled "How to Contact US."

## **16. MINORS**

Our Site and services are available only to persons who can form legally binding contracts under applicable law. Without limiting the foregoing, the Site is not intended for individuals under the age of 16. By using the Site, you represent that you are over the age of 18. If we discover that we have personal information about someone under age 16, we will promptly delete that personal data from our systems.

## **HOW TO CONTACT US**

If you have any questions about this Privacy Notice or our privacy practices, please contact us at:

E-mail: [dataprotection.ccc@kuraray.com](mailto:dataprotection.ccc@kuraray.com)

Postal mail: Calgon Carbon Corporation, Attention Legal Department, 3000 GSK Drive, Moon Township, PA 15108

## **CHANGES TO THIS PRIVACY NOTICE**

We reserve the right to change and/or update this Privacy Notice. Should we change and/or update this Privacy Notice, we will inform you about such changes and/or updates, by indicating the date the Privacy Notice was last updated as the effective date. You may wish to check this section from time to time because, by visiting our Site, you agree to accept any such changes.

## **17. CALIFORNIA RESIDENTS: YOUR CALIFORNIA PRIVACY RIGHTS**

In addition to the options listed in the section "Your Rights," California residents have additional rights under the California Consumer Privacy Rights Act of 2018, as amended by the California Privacy Rights Act of 2020 (together, the "CCPA"). This section applies

only to personal information collected by Company about California residents and their households. It does not cover job applicants and current or former Company employees whose personal information is covered in a separate privacy notice. The categories and sources of personal information collected by Company in the preceding twelve (12) months are described in these sections of this Privacy Policy:

- What and How We Collect Personal Information?
  - Categories of Personal Information We Collect
  - Sensitive Information
  - Automated Online Data Collection
- International Transfers
- How Is My Personal Data Used?
- Will My Information be Shared?

The business or commercial purposes for which we use personal information are described in the section of this Privacy Notice called “How Is My Personal Data Used?” The categories of third parties to whom we may disclose consumers' personal information are identified in these sections of our Privacy Policy:

- Will my Information be Shared?
  - Business Partners
  - Data Analytics Services
  - Affiliates
  - Service Providers
  - Advertisers and Social Media

**Your Rights under the CCPA.** California residents have the rights under the CCPA summarized below. You may exercise any of these rights by making a Consumer Request as explained in the section above called, “Your Rights.” We will respond as explained in that section.

- Right to deletion of your personal information: You have the right to request us to delete any of your personal information that we collected from you, subject to the exceptions provided in the CCPA.
- Right to correct inaccurate personal information: You have the right to request us to correct any inaccurate personal information we maintain of you, subject to the exceptions provided in the CCPA.

- Right to know and access your personal information collected by us: You have the right to request us to disclose to you the categories of personal information we collect about you; the categories of sources from which we collect your personal information; the business or commercial purpose for which we collect your personal information; the categories of third parties to whom we disclose your personal information; and the specific pieces of personal information we collected about you.
- Right to know what personal information is sold or shared for targeted advertising purposes: You have the right to request us to disclose to you the categories of your personal information that we sold or shared for targeted advertising.
- Right to opt-out of the sale of your personal information or sharing personal information for targeted advertising: You have the right, at any time, to direct us not to sell your personal information or share your personal information for targeted advertising purposes.
- Right to limit use and disclosure of Sensitive Information: You have the right to limit how we use your Sensitive Information. We will only use your Sensitive Information for the purpose disclosed to you at the time we asked you to provide it. We will request your express consent, before using your Sensitive Information for any other purpose.
- Right to not be discriminated against following exercising the right to opt-out or exercise other rights: We will not retaliate against you for exercising any of your rights.

**Exercising your CCPA Rights.** To learn more about how to exercise any of your CCPA rights, please see “Your Rights.” Please note that you may only submit a request to know twice within a twelve (12) month period. We cannot respond to your request or provide you with personal information if we cannot verify your identity or authority to make the request and confirm the personal information relates to you. We are legally required to verify your identity before we can fulfill your or your authorized agent’s request to know what personal information we collected about you, or what personal information we sold or shared with our Business Partners. We also must verify your identity to fulfill your request to delete or correct your personal information.

**California Rights under “Shine the Light” Law.** California residents may request a list of the types of customer information we provided to third parties for their direct marketing purposes and the names and addresses of all third parties with which we have shared such information during the past calendar year. We will provide the information to you free of charge within 30 days of your request. To request that we provide you with such information, please send a written request to [dataprotection.ccc@kuraray.com](mailto:dataprotection.ccc@kuraray.com). Within thirty (30) days of receiving your request, we will provide you with the information at the address you designate in your request, which may be an email address or physical address.
